

# Using E-learning at BUE

**Still don't know what is meant by e-learning**

**Read below what E-learning can offer you**

**Downloading Materials (case studies, module outline, past exams...) and get as many copies as you can**

**Discover the latest announcements, news, events, and online discussions related to the module through using Forums**

**Make use of the chat rooms created by your module leader, you can ask them direct questions and receive immediate answers and you can keep in contact with them from anywhere**

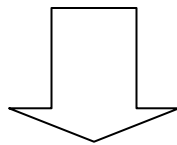

**Send your Assignments and get immediate feedback online**

**To get the best e-learning tools, please:**

- Ask your module leaders to activate the required features
- Inform the e-learning coordinators of your desired features and the e-learning coordinators can ask your module leaders to activate it.
- If you have new ideas on how to enhance e-learning, please share it with your e-learning coordinator.
