2024 5th International Conference on Electronic Engineering and Signal Processing

Derby, UK | December 2-4, 2024

EESP 2024

www.eesp.net

2024 5th International Conference on Electronic Engineering and Signal Processing will be held in **Derby, UK during December 2-4, 2024** as workshop of ICSIE 2024, sponsored by The British University in Egypt, organized by University of Derby, and co-organized by Nottingham Trent University. The conference looks for original and high quality contributions related to electronic engineering and signal processing, including theories, methodologies, and applications.

Publication

Submissions will be reviewed by the conference technical committees, and accepted papers will be included in **EESP 2024 Conference Proceedings**, published by Conference Publishing Services, CPS, sent to **IEEE Xplore** for possible inclusion, and indexing by **Ei Compendex and Scopus.**

Call for Paper

Contributed papers are solicited describing original works in electronic engineering and signal processing and related technologies. Topics and technical areas of interest include but are not limited to the following:

Track 1: Circuits and Systems
- Analog Circuits
- Digital Circuits
- Mixed Signal Circuits
- Filters and Data Conversion Circuits

…

Track 2: Communication Systems
- Communication Theory and Information Theory
- Antenna and Propagation
- Microwave Theory and Techniques

…

Track 3: Computer Science
- Computer Architecture
- Computational Biology and Bioinformatics
- Knowledge and Data Engineering

…

Track 4: Signal Processing
- Signal Processing Theory
- Digital Signal Processing Algorithms
- Digital Filter Design & Implementation
- Array Processing

……

Submission

All authors should prepare full versions of papers in Portable Document Format (PDF). Papers must be with at least 4 pages, including text, references, tables and figures. Follow the correct template when preparing your full paper or abstract.

Papers are reviewed on the basis that they do not contain plagiarized material and have not been submitted to any other conference at the same time (double submission).
