

Passport to Effective Teaching for Fresh Graduate Teachers

PROGRAMME OVERVIEW

Programme Content:

The Passport to Effective Teaching for Fresh Graduate Teachers consists of one training programme. In order to complete the programme, participants must attend all sessions.

Learning objectives

- To provide a structured staff development programme;
- To build on existing skills and knowledge;
- To develop the teaching skills of fresh graduates;
- To improve the quality of classroom practice in order to enhance the level of customer satisfaction.

Target audience: Fresh graduate teachers.

Duration: 30 Hours

Course provider: The British University in Egypt (BUE)

Course material and delivery: Ms. Sara Ghazi (External Teacher Trainer).

Assessment

There will be no formal assessment on this training programme; however, the participants will be expected to complete all the course tasks and they will receive on the spot oral feedback related on their performance of the task. The facilitator will also be observing the participants to get an idea of whether they are understanding what is going on and are finding the training material intelligible. Furthermore, there will be informal forums with those that completed the programme to see if they felt their skills, knowledge and confidence had improved a minimum of 6 months after completing the programme.

Participant feedback on each course

At the end of each session participants will be required to complete an Evaluation Questionnaire.

End of programme documentation

At the end of the programme participants will be awarded with a certified certificate of completion.
