# London South Bank University

London South Bank University certifies that:

**BSc (Hons) Architecture Engineering – Sustainable Building Design (BUE)**

**BSc (Hons) Biochemical Engineering (BUE)**

**BSc (Hons) Mechanical Engineering – Renewable Energy (BUE)**

**BSc (Hons) Electrical Engineering - Renewable Energy (BUE)**

**BEng (Hons) Petroleum Engineering and Gas Technology (BUE)**

has been reapproved by the Supreme Council of Universities, Egypt to revise the length of programmes for The **British University in Egypt**. It has been confirmed by LSBU that the academic standards of the awards are designed to be consistent with the Framework for Higher Education Qualifications and reflect any applicable sector-recognised standards.

The learning and teaching experience of the students should align with the Office for Students Conditions of Registration.

Ms Mandy Maidment  
Academic Dean  
London South Bank University

Mr Darren James  
Associate Academic Dean  
London South Bank University
