

## **Vision**

The vision of the Faculty of Pharmacy at the British University in Egypt is to be a distinguished model for pharmaceutical education at the local, regional, and international levels.

## **Mission:**

The British University in Egypt's Faculty of Pharmacy is committed to providing a distinguished educational level to qualify outstanding pharmacists capable of keeping pace with the developments in the job market and the continuous evolution in the pharmaceutical field, promoting scientific research, excelling in serving the community in line with Egypt's Vision 2030, and contributing to achieving sustainable development goals while upholding ethical and professional values.
