

The British University in Egypt in collaboration with the UNDP are hosting

# The COP27 Simulation Model

Under the auspices of  
the High Level Climate Champion,  
**HE Mahmoud Mohieldin**

A global youth-led climate conference bringing students together from around the world to mock the actual COP27 activities and simulate country delegates and representatives of international organizations.

## THE COP27 SIMULATION MODEL WILL

Promote international youth dialogue on international climate action,

Placing Egyptian and international youth at the heart of decision making and upskilling them in international diplomacy, debate and conflict resolution,

Support Egypt's COP27 national efforts and widening youth engagement in international climate networks

We have received around 1800 applications from Egyptian, Arab, African and International Universities. More than..

1500

Applicants from Egyptian Universities

120

A SIMULATION OF A HYPOTHETICAL SCENARIO OF A WILD CARD OF A BIG EVENT

TECHNICAL SESSIONS-ACTION ROOMS

EXHIBITS AND PAVILIONS

## DELIVERABLES AND OUTCOMES

The COP27 Simulation Model

- A Documentary Movie to be presented in the COP27 Youth day sessions.
- A Climate document summarizing participating youth voices.
- Potential presentation of Model outcomes in the UNDP Pavilion in the Green Zone.
- Outcomes to be incorporated in the Global Youth Statement presented by the Children and Youth constituency to United Nations Framework Convention on Climate Change-YOUNGO in the COP27.

Beyond the COP27 Sustain and repeat the COP Simulation Model on annual basis.
